## THE 1967 LE DIABLE BLEU

### Fair Dillard

*Fair Dillard,*

*Gleaming white and spacious green,*

*We love thy every blade and tree;*

*We love thy breathless days, thy nights serene,*

*Thy halls where men are men and free.*

*Arise, O sons and daughters, hail thy queen,*

*And pledge for aye thy loyalty.*

*Fair Dillard,*

*Flaming love and learning's light*

*Teach us each day, each passing hour*

*A deep'ning love for beauty, truth, and right*

*Source of all nobleness and pow'r.*

*And through the joyous day, the dreaded night,*

*Forever guide, Alma Mater!*

*Forever guide, Alma Mater!*

Many queens have shared the Dillard spotlight, but when Miss Dillard of 1967 was escorted to her throne, we knew that the city of New Orleans had not ceased to produce individual beauty and intelligence.

Few queens were more beautiful; none has been more graciously intelligent than Miss Karen Hall. As she was accompanied to her throne by Troy King and Eartha Jones the Dillard family was sharing its proudest moments . . . Long live the Queen!!!

History: Alpha Kappa Alpha Sorority, founded on January 16, 1908, at Howard University, Washington, D.C., initiated the movement of sororities among Negroes. It has as its goal the promotion of high scholarship and ethical standards. Moreover, the Sorority aims greatly toward the accomplishment of both friendship and unity among college women.

Dillard University, realizing the need for such an inspiring organization, founded its chapter, Beta Upsilon, on October 29, 1938, under the enthusiasm of eleven young women who subscribed to the sorority's ideals. Today there are thirty-six young women on the Dillard campus who strive to fulfill, uphold, and daily proclaim the high standards of Alpha Kappa Alpha.

History: Delta Sigma Theta Sorority, Inc., was founded at Howard University, Washington, D.C., on January 13, 1913, by 22 undergraduate women. In 1930, Delta Sigma Theta was incorporated as a national organization. It now has 304 chapters located in 38 states and in Haiti and Liberia. Delta Sigma Theta is an interracial organization with a current membership of 40,000. In 1963, at its fiftieth anniversary celebration, President John F. Kennedy, the guest of honor, congratulated the organization on its "service to the community."

History: Alpha Phi Alpha Fraternity, Incorporated, founded in the year 1906 at Cornell University in Ithaca, New York, holds the proud honor of being the first fraternity of Negro men. The men who established the Fraternity became aware of the need for an organization to which they, and others like them, could turn in order to find relief from the ostracism placed on them by their society. This awareness was one of the primary forces which led to the founding of Alpha Phi Alpha.

Since the year it was founded, one of the major objectives of the Fraternity has been to make Negroes aware of their importance in society and the contributions that can be made by Negroes to society.

History: The Omega Psi Phi Fraternity was organized Friday evening, November 17, 1911, in the office of Ernest E. Just, Professor of Biology, Howard University. The organizers were three students in the College of Liberal Arts, Edgar A. Love, Oscar J. Cooper and Frank Coleman. The name of the Fraternity was formed from the initials of a Greek phrase meaning "Friendship is essential to the soul." The phrase was selected as the Fraternity's motto. Manhood, scholarship, perseverance and uplift were adopted as cardinal principles.

## DILLARD'S GYM GUTTED BY FIRE

Over \$50,000 Damage  
Is Estimated

Picture in Sec. 1, Page 4

A fire Saturday gutted the \$200,000 Dillard University gymnasium behind the Gentilly blvd. campus, sending flames 100 feet high while it burned out of control for nearly two hours.

Fire Superintendent Arthur J. Heyd estimated damage at more than \$50,000, but said that the walls, which remained standing, may have to be demolished for reconstruction.

Flames rose when the heavy roof of the concrete block and brick structure collapsed about 30 minutes after fire was discovered.

### GIRL COLLAPSES

A student, Miss Carol Ann Moore, collapsed while watching the blaze. She was later reported in fair condition at Flint-Goodridge Hospital.

Dr. Albert W. Dent, university president, said the blaze was discovered about 1 a. m. by a security guard.

The guard had locked the gym at 11:30 p. m. after a basketball game, he said.

Dr. Dent said the watchman called the fire department after he saw smoke coming through the roof.

### FIRE EQUIPMENT

Twenty-six pieces of fire-fighting equipment were sent to the blaze, which was brought under control at 3:15 a. m. The equipment included 12 pumpers and three hook-and-ladder trucks.

Heyd said there was fire over most of the gymnasium by the time efforts to control the blaze began. He said the fire's cause was not immediately determined, but an investigation would continue.
